Dear Mike:

It is embarrassing to be so late in sending this special thank you for your involvement in the State FCCLA Meeting. It was a very successful conference and your participation helped make it a great experience for the members. Thank you for working with us to serve our members.

Your presentation was powerful. The students rated your session “over the top” and said they benefited from your expertise and motivation. It is always nice to have someone with such a high level of energy and who knows how to relate to teenagers and has a good message. You are welcome back to Texas any time!

I know that our paths will cross again in the future. Keep motivating young people and stay positive! Have a great summer and know that you have been in my thoughts since April.

Sincerely,

Sharon
